Kingsley's Meadow: by American Bible Society, Tyndale Entertainment, Tony Salerno, Sony Wonder.

Kingsley, our host, is a friendly teenage lion and master story-teller. He talks to the children and interacts with his meadow friends (chipmunk, hedgehog, songbird, elephant, etc), imparting wisdom and knowledge.

He tells them the stories his father told him as a child.

The stories are from the Bible, and teach the importance of good character qualities. These stories of biblical virtues and values help his friends deal with the challenges of their day-to-day lives.

Catchy music, beautiful scenery, exciting animation, sing-a-longs, humor and story-telling reinforce the moral value from the Bible stories.
